

ORDER FORM

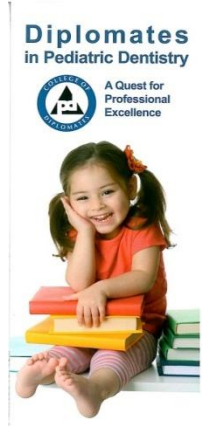

Diplomate Recognition Announcement Cards:

As a service to our members, we have produced Diplomate Recognition announcement cards to send to your patients to announce your certification as a Diplomate of the American Board of Pediatric Dentistry. The cards are designed so that your office may enter your name by hand or by laser printer. Space is provided below the last line to enter a date for your certification.

Brochures:

The brochure, A Quest for Professional Excellence, has been prepared by the College to inform professionals and lay persons about the specialty of pediatric dentistry and your status as a Diplomate of the American Board of Pediatric Dentistry. Additionally, space is provided on the back of the brochure to have your personal information stamped or printed.
